

# Australian Medicines Handbook is now available on any Ramsay Health Care computer

## AMH:

- Key provider of indispensable and independent drug information for healthcare professionals concerned with QUM
- Content is solely researched, compiled and regularly updated by AMH editors (all of whom are qualified health professionals) using a best-available evidence approach, and independent of the government and pharmaceutical industry
- Among our Editorial Advisory Board members and reviewers are many of Australia's luminaries in the field of medicine

**AMH ONLINE**

AMH is available on any Ramsay Health Care computer onsite at

**<https://amh.net.au/online>**
